

North Bay National School Project

Membership Form 2010 - 2011

Membership of the project is open to all who subscribe to the objectives of the association as laid out in the Memorandum of Association, established by a group of parents on the 25th of July 1990 as detailed below.

By becoming a member of the project, you are subscribing to the objectives of a school with the following principles:

- A child centered approach to education
- Co-education and committed to encouraging all children to explore their full range of interests and opportunities
- Multi-denominational i.e. all children having equal rights of access to the school and the social cultural and religious background of each child to be equally respected
- Run by management committees which would be predominantly democratic in character.

A national school that is:

- Run in accordance with the above principles
- Operate under the department of education's rules for national schools
- With this association as patron of the school
