

**North Bay National School Project
Membership Form 2013**

Do you want to be directly involved in supporting the delivery of the Ethos Curriculum at North Bay Educate Together National School?

Do you want to support the ongoing fundraising activities to bring additional resources to the school and for the students there?

Do you want to exercise your right to participate in the Patron and AGM on Wednesday, May 29th, 2013?

If you answered yes to any or all of the above, membership of the North Bay National School Project is essential.

Membership of the project is open to all who subscribe to the objectives of the association as laid out in the Memorandum of Association, established by a group of parents on the 25th of July 1990 as detailed below.

By becoming a member of the project, you are subscribing to the objectives of a school with the following principles:

- A child centered approach to education.
- Co-educational and committed to encouraging all children to explore their full range of interests and opportunities.
- Multi-denominational i.e. all children having equal rights of access to the school and the social cultural and religious background of each child to be equally respected.
- Run by management committees which would be predominantly democratic in character.

A national school that is:

- Run in accordance with the above principles
- Operate under the department of education's rules for national schools
- With this association as patron of the school

I subscribe to the articles of association of North Bay National School Project and agree to abide by its rules and decisions.

I wish to pay/renew my subscription as a member of the association.
