

After-School Activities 2016/17

Term 2

Enrolment starts 8 February 9pm and closes 10 February 9pm

- Term 2 (13 weeks) start date: **Friday 17 February 2017**
All children need to re-enrol and are NOT automatically guaranteed a place if they were part of an activity in term 1.
*ALL enrolments must be done through the online form and places are allocated on a **first-come-first-served basis**.*
- After-school activities are run by volunteer coordinators, and overseen by the Parent Teacher Association (PTA). There are various activities for children from 1st to 6th class.
- **IMPORTANT** - Payments for after-school activities are being collected directly by the teachers of the activities. *Teachers will pass on 75 cents per child per class to the PTA towards running after-school activities and cost of use of the school facilities.*
- **Full payment due on the day of the first class**
If payment is not made, your child may lose the place if the activity is oversubscribed and the place will go to the next child on the waiting list.
(If payment is an issue, please contact the school Principal in confidence).
- Activities can only go ahead if we have a minimum of 10 students (per activity) enrolled. If there are any specific requirements for the activity your child will attend, they will be made known to you by the Coordinator.
- For any general queries, please contact **Julia** on **086 3393525** or **northbaypta@gmail.com**.

ACTIVITY	DAY	COORDINATOR	COST

Revised Policy on After-school Activities and Supervision of After-school Activities

The PTA and the Board of Management have revised the After-school Activities Policy this year. The full revised policy is available on the PTA page on the school website here:

<http://www.northbay.ie/school/our-committees/our-p-t-a/after-school-club-policy> and on the After-school Activities noticeboard, under the stairs by the door at the junior end of the school. Please read the full policy before enrolling in any activities.

Please note the following, in particular:

- After-school activities are intended to be fun for all the children involved. Please only enrol your child(ren) if they have expressed an interest in the activity.
- The school's Code of Positive Behaviour applies during After-school Activities.
- Parents and children must agree to abide by the After-school Activities and After-school Activity Supervision Policy.
- If you enrol your child in After-school Activities, you must be available for supervision. The coordinator will draw up a rota for supervision and you must attend on the date(s) listed, or arrange to swap with another parent / guardian.
- Parent supervisors are asked to take an active role in supervision. Together with the teachers, they are responsible for ensuring the Code of Positive Behaviour is followed during After-school Activities.
