

North Bay ETNS PTA Special Project Survey

This survey is for current members of the North Bay School Community. The Parent Teacher Association has accumulated a surplus in reserves over a number of years. We have concluded that the best way forward is to make €5,000 available to invest in a project / projects which would add value to the school community over a number of years. In order to achieve the best outcome we are consulting with all stakeholders.

Please discuss with your children and put forward suggestions for potential projects as a family. You can complete this survey online.

Alternatively, surveys completed on paper should be returned to the **Blue Box**.

All responses must be submitted **by Monday 15th May**.

All suggestions will be considered by the PTA. The School Principal and Board of Management will then be consulted before a suitable project (or projects) is selected.
